Please read this information sheet carefully before entering the premises or buildings.

Visitor rules

- Wear visitor pass visibly and return them to reception when leaving/checking out.
- All information that you receive in our company must be treated as confidentially.
- Only enter buildings and company facilities when accompanied by a company employee.
- Photography ban.
- No smoking except in designated smoking cabins (see site plan).
- Notices and hazard signs must be observed (e.g., mandatory wearing of glasses).
- Alarm messages, escape route markings and alarm assembly points must be observed.
- We do not accept any liability for accidents caused by the individual and for any personal items.
- Walking speed and road traffic regulations (StVO) apply within the company premises.
- The uvex group is committed to environmental protection and has, among other things, set itself the group-wide certification according to DIN EN ISO 14001 as a goal. Further information on the efficient and careful use of our resources can be found here:
