UVEX GROUP Logistics GmbH
Pfaffenhofener Straße 12
91126 Rednitzhembach
ugl@uvex.de
Status: 28.02.2025

Please read this information sheet carefully before entering the premises or buildings.

Visitor rules

- External persons, such as visitors, truck drivers and craftsmen, are obliged to wear a reflective vest during their entire stay on the company premises and in all buildings. You will receive a visitor's pass at the gate/registration desk, which must be worn visibly throughout your stay. Vests and visitor passes must be returned to the gate/registration desk when leaving/checking out.
- All information that you receive in our company must be treated confidentially.
- Only enter buildings and company facilities when accompanied by a company employee.
- Photography ban.
- No smoking except in designated smoking cabins (see site plan).
- Observe instructions and hazard signs! Safety shoes are to be worn in all storage, production and technical areas as well as in all other areas with the corresponding labelling.
- Alarm messages, escape route markings and alarm assembly points must be observed.
- We do not accept any liability for accidents caused by the individual and for any personal items.
- Walking speed and road traffic regulations (StVO) apply within the company premises. In the building, pay attention to walkways due to forklift traffic.
- The uvex group is committed to environmental protection and has, among other things, set itself the group-wide certification according to DIN EN ISO 14001 as a goal. Further information on the efficient and careful use of our resources can be found here:
